DEVOTIONALS

Liraasa de Lunosavaliasa

SONG · SACRED

maivo kronovimoka ala li luno en li navu.
I gaze towards the moon in the sky

yeko lunoasasan lumi marema.
Hello moon light mother

taivo de silromasu tivrota maivo de lore.
Your mystery holds my heart

maivo povi navdinia li relsi ala taivo de silromasu ki?
Can I find the answer to your riddle?

maivo futu navdinia li vera intra taivo de lumi ki?
Will I find the truth within your light?

maivo povi lovula taivo de kronovimo de vio ki?
Can I read your gaze of violet?

maivo povi lemula taivo de silromasu ki?
Can I study your mystery?

taivo povi lirala vobi maivo baba lunosan somulira.
Can you sing for me a moonlit lullaby

maivo po povi ke li linu tivrosan intra taivo de lomo ki?
Can I be the child held within your embrace?

maivo ne kopi ke salrusan.

I do not hope to be tall

maivo kopi ke baba linu intra taivo de lomo.

I hope to be a child within your embrace

raho povi sabesia baba kasi polvasan sove ki?

Who could know a more powerful peace?

maivo futu somusia ata krotiapo maivo cunuca taivo de veluri.

I will sleep after I count your stars

maivo futu sabesia li mavopagoasa de taivo de linukova.

I will know the heaven of your womb

si maivo ke tonsi lukasan, maivo futu ne salrusia.

If I am so lucky, I will never rise

lesvu taivo de lumiasasan pagoasa ke maivo de pago de somuasa.

Let your holy place be my place of sleep
