*I will whisper to you of the truth of softness*

ke tivrosan en li varori de li mare de yomla.
*Be held in the arms of the mother of honey*

*taste the gentle merciful milk*

saivo tivrota li linu en saivo de pagoasasan linukova.
*She holds the child in her universe womb*

*Do you hear the gentle melody of her lullaby?*

ito ke li sonbusamba de folniri ko mege.
*It is the rhyme of flowers with sweetness*

*Her beauty is a gentle red with eyes of honey*
