DEVOTIONALS

Liraasa de Amorlavi

SONG · POETIC

ola-pago saivo ke yeko vanisan tarnu.
there he is, hello beautiful man

fime taivo manlisonbuma su maivo de dorbi ki?
is that you knocking on my door?

taivo vurlova sidu turnata maivo de vanrunasan yuge ki?
You want to enter my peaceful body?

kroti maivo lesvu taivo ke li sevusan ruhe.
Before I let you be the sea storm

taivo povi ke li savali de baba gargonasan moluvaye ki?
Can you be the kiss of a gentle breeze?

ata madima maivo de damvari, ata tu maivo de leheri ki?
And graze my legs, and my cheeks too?

oro taivo suvi turnata maivo ko velbivalmi gase navufaru ki?
Or should you enter me with haste as lightning?

ola-pago saivo po ke saivo ata farlafa baba corviasasan livna.
There he is, he made a courage choice

maivo ke tula saivo, ata saivo ke en maivo.
I am below him, and he is inside me

saivo po turnata maivo de mavolumi, ata maivo de yuge.

he entered my soul, and my body

saivo po ne ramura fime maivo ke baba madi de yanbanasan nonmori.

he did not remember that I am a meadow of young lotuses

ata maivo ke baba naminasan mirunulu raho nosi mirudaigoma saivo.

And I am a hunger river who might drown him

saivo po vorbava vobi damruna tonsi maivo donuda maivo de yuge ala saivo.

He yearned for softness so I gave my body to him

saivo po mirudaigoma en maivo de sevu.

he drowned in my sea

maivo de mirunuluasasan yuge po lomola saivo de mavolumi.

My river body embraced his soul

saivo po tivromomvita saivo de yalmu en maivo de lasosan pagoasa.

He released his energy inside my silent universe
