Liraasa de Norunia

SONG · POETIC

maivo po ke baba lirasan lavra norusan.
I was a song bird dreaming

maivo po ke hupi li navu ata veluri.
I was above the sky and stars

li lanlasan kronovimo ala mavopagoasa.
The horizon gazed towards heaven

li lanla po vimova baba hurvosan lirasan lavra hupi ito.
The horizon saw a strange song bird above it

ki-pago taivo da hurvosan lirasan lavra ki?
Where are you from, strange song bird?

taivo vagava hupi maivo en humena ki?
Do you fly above me in arrogance?

taivo ke li rivo de li mare de mavopagoasa ki?
Are you the companion of the mother of heaven?

maivo mambivimoma ala li ata masuma lanla ata po milobema.
I glance to the asking horizon and smiled

li colbiri de maivo de pulmiri po donuda li vera ki?
Did the colors of my feathers give the truth?

oro ito po ke li faru raho taivo po vimova en maivo de vilneri ki?

Or was it the fire you saw in my eyes?

ito ke vera maivo ata ke li rivo de maresan mavopagoasa.

It is truth, I am the companion of mother heaven

maivo farlafa melo vobi saivo de lavi.

I make music for her joy

si taivo futu masuma ko benamolu maivo ata donuda taivo baba pulmi.

If you ask with kindness I will give you a feather

en veraasa taivo ke baba lukasan nela.

in truth, you are a lucky person

li teru ke juba baba pagonasan pulmi.

The earth is gifted a lonely feather

li linu raho navdinia sabesia baba bio de milno.

The child who finds knows a life of wonder
