DEVOTIONALS

Lirraasa de Amorjomru

SONG · SACRED

maivo po vimova saivo de milobe su li lanla.
I saw her smile on the horizon

maivo po lenila saivo de lavisan reso gase vaye.
I heard her joy laugh as wind

maivo po silbesia saivo de vaye raho po jubaja baba nonmori .
I sent her wind which gifted a lotus

li vanisan minva po nedunia baba lumiasasan folni.
The beautiful woman needed a divine flower

maivo ne povi zonraza saivo de nedu.
I could not deny her need

tonsi maivo po silbesia saivo de baba pagonasan folni.
So I sent her a lonely flower

krotiapo li folni po venreva baba madi.
After the flower came a meadow

krotiapo li madi po venreva maivo de rezari ala saivo de lehe.
After the meadow came my lips to her cheek

kronoasasan laso nayo maivo po savalisia saivo de fasbi.
Time paused as I kissed her face

li yanbanasan minva po farufasbifa ko milnosan vilneri.

The young woman blushed with curious eyes

taivo ke tonsi corvisan fime taivo viki savalisia maivo ki?

You are so brave that you would kiss me?

maivo po tivrota saivo de manli ko baba gargonasan amorjomru.

I held her hand with a gentle affection

maivo po veseva ala saivo de li krotiata lirasarbi.

I whispered to her the next poem

maivo de navuasasan valla po lirala ala saivo de lore.

My celestial voice sang to her heart

saivo po farufasbifa kube saivo ramusan raho maivo po ke.

She blushed as she remembered who I was

maivo toda-krono po ke saivo de devorivo.

I had always been her spouse
