DEVOTIONALS

Liraasa de Bojiasa

SONG · POETIC

una-krono su baba krono baba minvaregna de boji palvipa ruva.
Once upon a time a queen of ice put frost

saivo palvipa ruva en maivo de lore.
She put frost inside my heart

maivo po surusia jurevi ala saivo de ruvasan cemnuyuge.
I felt gratitude towards her frost gesture

vobi saivo po voprava maivo ala baba devisan solo.
For she had turned me to a divine stone

saivo po kertika maivo de lelderi en baba mambi.
She carved my edges in a moment

ko baba fini gase yolbesan gase baba yelmisolosan tisebiti.
With a finger as sharp as a jewel blade

maivo po lenila gase baba folni ala saivo de tisebiti.
I listened as a flower to her blade

saivo tiseta maivo ala baba narvonasan sovla.
She cut me to a flawless form

maivo po loya baba sizosan cirsisan nonmori.
I had become a shimmering crystal lotus

maivo po ke baba yelmisolo ata vaku vobi mavopagoasa ito sela.
I was a jewel made for heaven itself

mellinasan regnasan linuri po vilneva maivo en milno.
Little royal childs looked at me in wonder

maivo po ke lumrasan hupi taivo de tinosan folni.
I had been lifted above your typical flower

maivo de vani po vaku yumlinasan madiri.
My beauty made bitter meadows

yolbefolniri ata notori po vilneva maivo en belfina.
Roses and tulips looked at me in disbelief

li minvaregna palvipa maivo en saivo de sabaye gase baba regnasan yelmisolo.
The queen put me in her hair as a royal jewel

maivo po ke lumrasan ala li minvaregna de sabaye.
I was lifted to the queen's hair

ki-pago maivo po loya baba regnasan yelmisolo la kronoasasan.
Where I became a royal jewel timelessly
