Liraasa de Meyi Vulrava

SONG · POETIC

una-krono su baba pagolelde bakoba kronoasa.
Once upon a boundary broken time

krotiapo mavopagoasasan lansiri po lirala saivori de lorenuravu.
After heaven angels sang their anguish

krotiapo bio po ke ata belruba nazru ala sonbuna gase lanvenuravu.
After life was brought back to silence as punishment

li linuri raho po bioba lektasan lamsari.
The child who lived gathered ashes

muya samniri po ke herbasan en mavosan madiri.
Many seeds were planted in careful meadows

ata li pomlisan po folnifa yugemeyisan saivo de lore.
And the promised flowers healed her heart

ata una-krono li solasan devi po reve lumila ko baba milobe.
And once again the sun goddess shined with a smile

li sola reve keleka gase baba farulavra!
The sun rises again as a phoenix!

maivo de larne ata neme ka baba lideobako ki?
My anger and sorrow a mistake?

maivo vimova li pagoasasan farlana ligo maivo ata farufasbifa.
I see the universe destruction near me and blush

maivo po vimova li sado de saivo de nullosamba gase momvi.
I had saw the shadow of her equinox as loss

maivo ramumomvisan fime li maresan veluasa ke kronoasasan ki?
I forgotten that the mother star is timeless?

saivo po belruba li daigosan nazru ala bio.
She brought the dead back to life

saivo po vilneva maivo ata po venyava ko rubi en saivo de leheri.
She looked at me and sighed with red in her cheeks

saivo po ceresenoca fime saivo de devorivo muya-krono po momvima ala larne.
She explained that her husband often lost to anger

mavopagoasa po nemenia vobi maivo de levasan lideobako.
heaven mourned for my simple mistake
