DEVOTIONALS

Liraasa de Ruhesonbura

SONG · POETIC

maivo keleka da somu ala li garvuzogu de ruhesonbu.
I rise from sleep to the roar of thunder

ola-pago ke mubofollusan en maivo de lore.
There is dread in my heart

saivo de nole ke eli-krono ramumomvisan.
Her name is now forgotten

maivo po ke narvozayusan ko neme.
I am cursed with sorrow

ola-pago ke baba folluvordusan lazu en maivo de lore.
There is a terrible animal in my heart

maivo devoda li pagoasasan dokra.
I promise the universe war

maivo de lore po ke hifasan da maivo.
My heart was stolen from me

maivo sabesia doli neme ata lorenuravu.
I know only grief and anguish

li nelari raho eli po ke opinasan.
The persons who did this are hopeless

saivori de bumre futu sabesia baba rukosan sevu.
Their bread will know a bloody sea

maivo futu marnalektama saivori de noruri ata kendedesiri.
I will harvest their dreams and ambitions

maivo futu ne semvisia fime saivori lavbula.
i will not allow them to pray

saivori futu ke yanosan ko maivo de opina.
They will be united with my despair

maivo futu cirsica saivori de folluzoguri.
I will crystallize their screams

maivo futu kertika yelmisolori da saivori de solori.
I will carve jewels from their stones

ata meraasasan mareasa futu tavreta saivori de masu.
And mercy will reject their request
